AUTOMOTIVE LUBRICANTS OIL

10W-40 4T Stroke Engine Oil Meets API-SN

Benefits of use:

- Reduces friction and wear.
- Prevents overheating.
- Guards against wear and corrosion.
- Keeps engine parts clean.
- Enhances acceleration and efficiency.

Recommended for:

All 4 strokes Bikes

Available in: 800, 900ml, 1L, 50L, 210L

10W-50 4T Stroke Engine Oil Meets API-SN

Benefits of use:

- Reduces friction and wear.
- Prevents overheating.
- Guards against wear and corrosion.
- Keeps engine parts clean.
- Enhances acceleration and efficiency.

Recommended for:

All 4 strokes Bikes

Available in: 800, 900ml, 1L, 50L, 210L

20W-40 4T Stroke Engine Oil Meets API-SN

Benefits of use:

- Reduces friction and wear.
- Prevents overheating.
- Guards against wear and corrosion.
- Keeps engine parts clean.
- Enhances acceleration and efficiency.

Recommended for:

All 4 strokes Bikes

Available in: 800, 900ml, 1L, 50L, 210L

20W-50 4T Stroke Engine Oil Meets API-SN

Benefits of use:

- Reduces friction and wear.
- Prevents overheating.
- Guards against wear and corrosion.
- Keeps engine parts clean.
- Enhances acceleration and efficiency.

Recommended for:

All 4 strokes Bikes

Available in: 800, 900ml, 1L, 50L, 210L

AUTOMOTIVE LUBRICANTS OIL

15W-40 Diesel Engine Oil

Meets API CI-4

Benefits of use:

- Works in both hot and cold climates.
- Reduces wear and extends engine life.
- Fights sludge and deposits.
- Reduces evaporation and oil loss.
- Ensures smooth performance under heavy loads.

Recommended for:

For heavy-duty engines in pickup trucks and SUVs.

Available in: 1L, 5L, 20L, 50L, 210L

10W-40 4T Stroke Engine Oil

Meets API-SN

Benefits of use:

- Reduces friction and wear.
- Prevents overheating.
- Guards against wear and corrosion.
- Keeps engine parts clean.
- Enhances acceleration and efficiency.

Recommended for:

All 4 strokes Bikes

Available in: 800, 900ml, 1L, 50L, 210L

20W-40 4T Stroke Engine Oil

Meets API-SN

Benefits of use:

- Reduces friction and wear.
- Prevents overheating.
- Guards against wear and corrosion.
- Keeps engine parts clean.
- Enhances acceleration and efficiency.

Recommended for:

All 4 strokes Bikes

Available in: 800, 900ml, 1L, 50L, 210L

EP-90 Gear Oil

Meets API GL-5

Benefits of use:

- Protection against gear wear and corrosion.
- For heavy-duty applications.
- Smooth gear shifting and reduced noise levels.
- Maintains performance under high temperatures.
- Reduces friction and wear.

Recommended for:

Manual gear boxes of bus, passenger cars and trucks.

Available in: 1L, 26L, 50L, 210L

AUTOMOTIVE LUBRICANTS OIL

PUMP SET OIL

Meets API-SAE-40

Benefits of use:

- Protects engine from wear and rust.
- Higher levels of engine cleanliness.
- Longer oil life and equipment life.
- Offers better fuel efficiency.
- Reduced oil top up.

Recommended for:

Agricultural pump sets.

Available in: 1L, 3.5L, 50L, 210L

20W-40 Multigrade Oil

Meets API SF/CD

Benefits of use:

- Reduces friction and wear.
- Prevents overheating.
- Guards against wear and corrosion.
- Keeps engine parts clean.
- Enhances acceleration and efficiency.

Recommended for:

All cars, taxi, 3 wheelers & commercial vehicles.

Available in: 3L, 50L, 210L

5W-30 Car Engine Oil

Meets API-SN

Benefits of use:

- Protection against gear wear and corrosion.
- For heavy-duty applications.
- Smooth gear shifting & reduced noise levels.
- Reduces friction and wear.
- Maintains performance under high temperatures.

Recommended for:

Petrol and diesel engines in cars, SUVs, light vans, and light trucks.

Available in: 3L, 3.5L, 50L, 210L

15W-40 Diesel Engine Oil

Meets API CI-4

Benefits of use:

- Works in both hot and cold climates.
- Reduces wear and extends engine life.
- Fights sludge and deposits.
- Reduces evaporation and oil loss.
- Ensures smooth performance under heavy loads.

Recommended for:

For heavy-duty engines in pickup trucks and SUVs.

Available in: 1L, 5L, 20L, 50L, 210L

AUTOMOTIVE LUBRICANTS OIL AND GREASES

EP-90 Gear Oil

Meets API GL-5

Benefits of use:

- Protection against gear wear and corrosion.
- For heavy-duty applications.
- Smooth gear shifting and reduced noise levels.
- Maintains performance under high temperatures.
- Reduces friction and wear.

Recommended for:

Manual gear boxes of bus, passenger cars and trucks.

Available in: 1L, 26L, 50L, 210L

AP-3 Grease

NLGI-3

Benefits of use:

- Protection against gear wear and corrosion.
- Inhibition of rust, corrosion and oxidation.
- Extended life and lubrication intervals.

Available in: 100gm, 200gm, 500gm, 1kg, 2kg, 3kg, 5kg, 10kg, 18kg, 50kg, 180kg

Gel Grease

NLGI-3

Benefits of use:

- Mechanical & thermal stability
- Superior corrosion and pressure protection
- Excellent stability in storage and service

Available in: 100gm, 200gm, 500gm, 1kg, 2kg, 3kg, 5kg, 10kg, 18kg, 50kg, 180kg

15W-40 Diesel Engine Oil

Meets API CI-4

Benefits of use:

- Works in both hot and cold climates.
- Reduces wear and extends engine life.
- Fights sludge and deposits.
- Reduces evaporation and oil loss.
- Ensures smooth performance under heavy loads.

Recommended for:

For heavy-duty engines in pickup trucks and SUVs.

Available in: 1L, 5L, 20L, 50L, 210L

AUTOCARE PRODUCTS

Coolant

Antifreeze/RTU

Benefits of use:

- Regulates engine temperature.
- Prevents overheating.
- Protects against corrosion.
- Inhibits freezing in cold weather.
- Extends engine life.

Recommended for:

All types of Radiator.

Available in: 1L, 5L, 50L, 210L

SHOCKER OIL

Benefits of use:

- Ensures fast and responsive braking.
- Minimizes the risk of leaks in the brake system.
- Prevents fluid degradation over time.
- Provides consistent friction for safe braking.
- Low environmental impact.

Recommended for:

Hydraulic fork of all motorcycles.

Available in: 175ml, 350ml

DOT-4 BRAKE FLUID

Benefits of use:

- Reduces friction and wear.
- Prevents overheating.
- Guards against wear and corrosion.
- Keeps engine parts clean.
- Enhances acceleration and efficiency.

Recommended for:

Standard vehicles like Moter Bikes, cars, SUVs, and trucks.

Available in: 100ml, 250ml, 500ml, 1L

Engine Flush

Benefits of use:

- Engine Flush removes gums, sludge, Varnish
- For petrol and diesel engines. Contain anti-wear additives.
- Helps maintain efficient oil circulation throughout the entire engine.
- Engine Flush is a quick result formula, it gives result within 2 minutes.

Recommended for:

Automobile, Tools & Outdoor Furniture.

Available in: 60ml
